Commitment To Sustainability Report

LogTag's Commitment to Sustainability

At LogTag, we understand that sustainability is not an afterthought, but a fundamental consideration. We have embedded sustainability principles within our practices since inception and we remain committed to fostering a sustainable future.

Our approach to sustainability is ingrained in every aspect of our operations ensuring that environmentally responsible practices undertaken, from the very foundation of our solutions, to its end use.

Climate Responsibilities

Net Zero: LogTag is committed to reaching net zero emissions. We are dedicated to implementing sustainable practices, reducing our carbon footprint, and transitioning to cleaner energy sources to ensure a cleaner and more sustainable future for our planet.

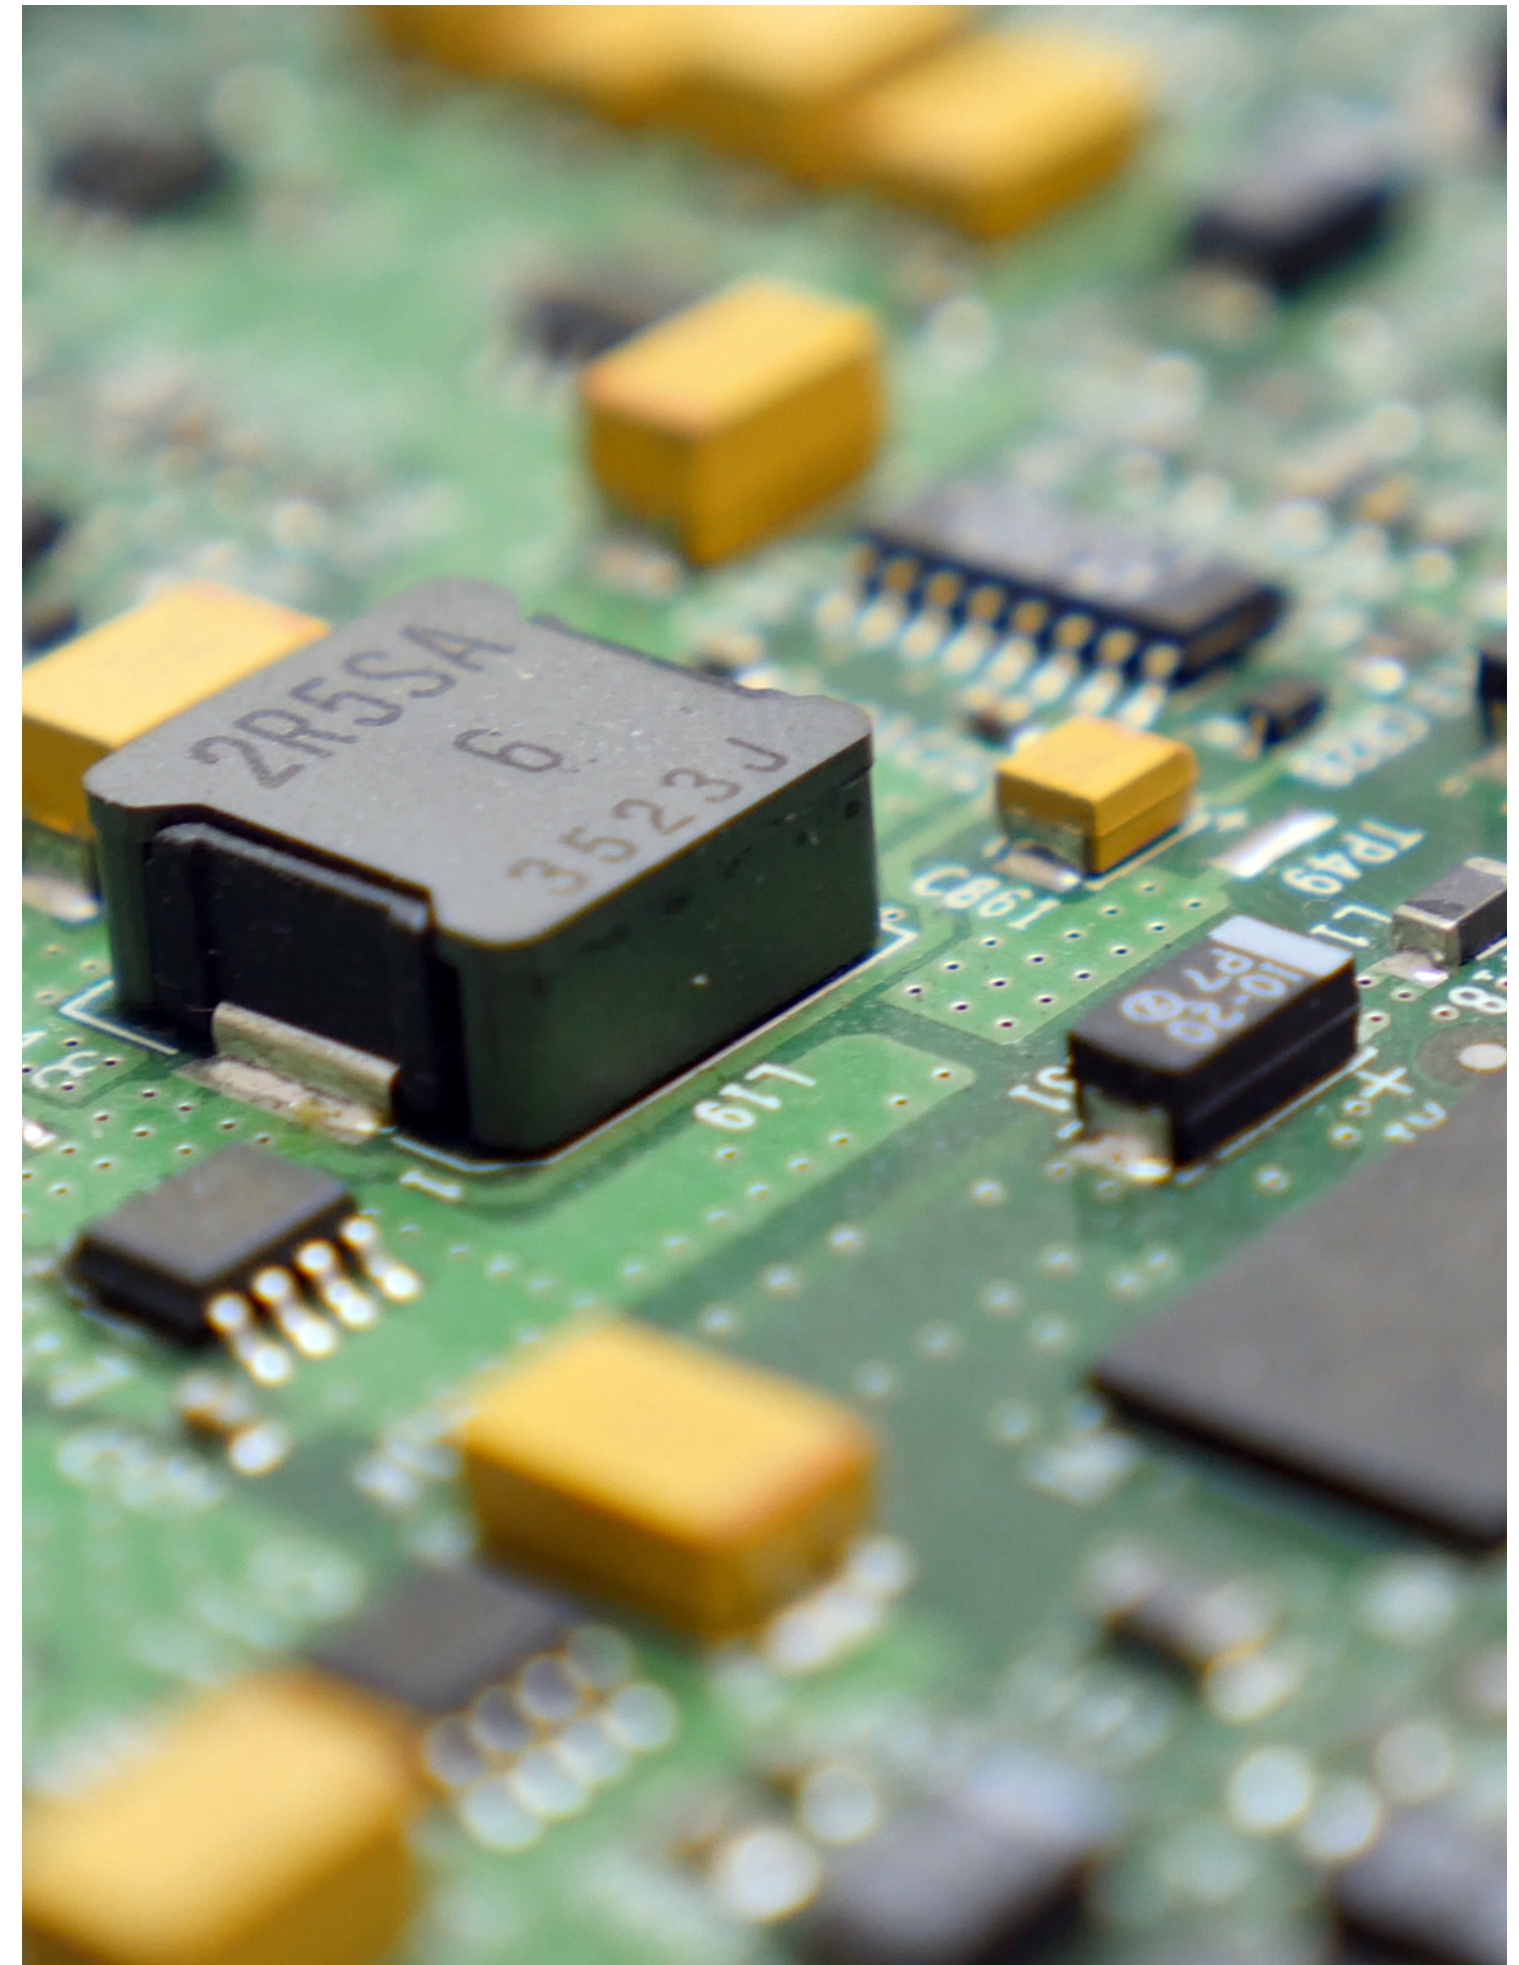

Shipping: As part of our sustainability efforts, LogTag is committed to collaborating with shipping partners to help exelorate our goal of net-zero shipping.

Sustainable Supply Chain Management

At LogTag we believe in creating solutions that stand the test of time. By harnessing cutting-edge technologies, we ensure that our products have the longest possible service life. Our approach to designing new devices prioritizes durability & reusability, allowing them to be utilized multiple times, minimizing electronic waste.

We collaborate with the Abilities group, an organization that empowers individuals with unique abilities, to recycle local e-waste. This collaboration not only contributes to waste reduction but also fosters social inclusivity and positive community impact.

Human Rights

LogTag is dedicated to safeguarding human rights throughout our supply chain. We ensure that both suppliers and manufacturers align with the principles outlined by the International Labour Organization (ILO). These principles encompass the strict prohibition of child labor, forced child labor, and place paramount emphasis on health and safety, as well as the establishment of equitable working conditions.

Social Commitment

At LogTag, we are dedicated to forging meaningful partnerships with humanitarian organizations that share our vision for a better world. Our collaborations extend to esteemed institutions such as the World Health Organization (WHO), Vaccines for Children, Pan American Health Organization (PAHO), UNICEF, the National Health Service (NHS), as well as regulatory bodies including the Centers for Disease Control and Prevention (CDC) and the Food and Drug Administration (FDA). Through these alliances, we aim to drive positive change, support critical causes, and contribute to the global well-being of communities we serve.

Diversity

At LogTag, we proudly embrace diversity and stand against any form of discrimination. We are committed to creating an inclusive environment where individuals are valued for who they are, regardless of their color, gender, sex, age, race, or sexual orientation. We believe in equal opportunities and treating everyone with respect and fairness.
